

## TECHNICAL DATA SHEET

### PRODUCT

**INDY ELECTRO CLEANER**  
**Solvent Cleaner for Electrical Components**

### DESCRIPTION

INDY Electro Cleaner is a solvent blend for cold cleaning of electrical components. The product is fast drying and evaporates completely, leaving a clean, dry surface. Indy Electro Cleaner is non-toxic and is formulated with non-flash components.

### APPLICATION

INDY Electro Cleaner readily dissolves oils, greases or waxy deposits from electrical equipment while leaving the underlying varnishes and/or paints, unaffected. It is best applied by brushing, spraying or immersion. Ultrasonic cleaning may be required for heavily soiled components.
